Rosemary,

Thanks – I would prefer to not have to commit to a time on Friday – so looking at next week works best for me. Those times all work, but as a note on Wednesday 10/14, I have a hard stop because I have opening remarks followed by a live speech...so I can't run over. I am more flexible on the other days.

Thanks  
Jeaneanne

I have a couple of updates re: scheduling an NHPA consultation call with the Muscogee Nation.

- The proposal of 1 pm Friday was in **\*Central Time\*** (2 Eastern) – I need to remember to account for that.
- The tribe indicated that they would like to hold out for meeting with you, Jeaneanne, and if 12-3 Friday (11-2 Central) doesn't work, agreed that we should look at next week. I'll start by suggesting the same options Erica identified for the Choctaw of Oklahoma follow-up (still waiting to hear back on that one):
  - o Wednesday 10/14, 10-11 am
  - o Thursday 10/15, 10-11 am or 3-4 pm
  - o Friday 10/16, 1-2 or 3-4 pm

Can one or both of you participate if we have one more NHPA consultation call this Friday at 1 pm? I'll also double check with the tribe that this is okay, but the plan is for Tom to moderate, with Jeaneanne possibly calling in.

Good afternoon Ms. Calli,

It was good speaking with you the other day and I spoke with my manager Ms. RaeLynn Butler about setting up a call with you. She said Friday afternoon would be the best time for her as her schedule has been filling up this week. I was wondering if 1pm on Friday, October 9th would be a good time for you?

Thank you,

Hello, Mr. Soweka – Thank you speaking with me just now by phone about the Muscogee Nation's interest in consultation regarding the EPA's action on the State of Florida's request to assume administration of a Clean Water Act Section 404 program. I look forward to hearing from you or your manager after you have the conversation you referenced about scheduling a phone call. My contact information is below.

Best regards,

Good afternoon Mr. McGill,

Thank you for providing the correspondence regarding the proposed CWA Section 404 program for the state of Florida. The Muscogee Nation would like to enter into government-to-government consultation with the EPA regarding the program. Please send any dredge, fill material, or any undertakings requiring ground disturbance to our [Section106@mcn-nsn.gov](mailto:Section106@mcn-nsn.gov) email and we will provide our response/comments ASAP upon receipt. The Muscogee Nation looks forward to working with you.

Thank you,

**Subject:** Consultation Under the NHPA regarding the State of Florida's Request to Assume Administration of a CWA 404 Program

Good afternoon!

Attached to this email is a letter that offers consultation and coordination with the Muscogee (Creek) Nation under the National Historic Preservation Act regarding the EPA's action on the State of Florida's request to assume administration of a Clean Water Act Section 404 program. The EPA received a complete package from the State of Florida regarding this request on August 20, 2020.

The attached letter includes a link to a OneDrive folder that contains the electronic files that comprise Florida's program submission request. Please note, you may receive a separate email that notifies you that you have access to this

OneDrive folder. If there is anyone from your office beyond the recipients of this email that wishes to have access to the OneDrive folder, please send their names and email addresses to [404Assumption-FL@epa.gov](mailto:404Assumption-FL@epa.gov). If you have any questions please let us know.
